

The Saskatchewan Association of Chiefs of Police
is proud to present

Sergeant Gwen Kennedy of the Prince Albert Police Service

With the

Excellence in Performance Award

On December 3, 2010, Sgt. Gwen Kennedy spearheaded the first annual “Shop with a Cop” event in Prince Albert, a community sponsored program by the Prince Albert Police Service and the Prince Albert Crime Stoppers.

Sgt. Kennedy coordinated the program along with the local Crime Stoppers by canvassing for donations from various businesses throughout the city. Schools selected high risk youth who would benefit from the program. For many, it was a new experience to purchase gifts for their family.

Sgt. Kennedy put many hours of her own personal time and showed a commitment towards the program. The program has been a positive experience not only for the members of the Prince Albert Police Service and the community, but also for the participating youth. This program creates a lasting impression for these youth that will hopefully build a stronger community in the future.

The Saskatchewan Chiefs of Police is proud to recognize Sgt. Gwen Kennedy’s service with the Excellence in Performance Award.
